Student Life

By her expression, Gayl Tarquinio may have had schedule problems.

Hectic halls are an everyday occurrence.

Dr. Furio returned after a one year sabbatical leave.

Yes, another year has passed—perhaps a little slowly for some and perhaps all too quickly for others. Classes might have been slow and tedious, gym periods hectic and relaxing and homework difficult and frustrating, yet these experiences and others—in our school and in our community combined to form a unique and unforgettable period in 1968-69!

School began on a bright and sunny August 27, 1968. The first day was, of course, a typical first day—lots of confusion, noise and mixed-up schedules! But soon all "nouveau" frosh, sophs, juniors and seniors settled into the routine of sleep, school, eat, school . . . ! A few changes had been made since our last term—Dr. Henry Furio,

Band drummer Alan Anders retrieved some lost sticks during a pep rally.

our principal returned from his leave of absence, other teachers had joined our faculty, a coke machine had been added to the cafeteria and new garbage cans had been bought for the school grounds. But the faces of our classmates were unchanged, and it was nice to be home once again.

Then football season began and sports-minded MHS was carried away in a wave of spirit and cheer!

The Hounds did not "mess around" and neither did their supporters as shouts swelled throughout the gymnasium. Rifts and

clashes within and among classes occurred, but the pride and unity of a real "winner" overcame these differences.

The Sadie Hawkins Dance in October provided the first opportunity for a girl-boy interclass meeting. Preceded by a week of slave, beau-hunting and tag days, the informal affair was decorated fittingly to the theme, "L'il Abner."

The election of homeroom officers and class councils, the organization of the new clubs and the regrouping of the old, the addition of "Isadora" to the newspaper—all these activities covered many hours in the early months of this school year. Dr. Furio introduced a program of "keeping the students informed" with a series of worthwhile assemblies on dental

hygiene, urban renewal, today's youth and the hazards of smoking. The glee presented a rythmic folk assembly in November featuring a talented inner group known as the "Blue Denims."

Monessen was honored by the visit of the Governor of Pennsylvania, Raymond Shaffer, who appeared to dedicate the new addition to the Monessen Public Library. Many students attended the ceremony to obtain an autograph and perhaps a handshake.

school spirit usually reaches an all-time low. But the 1968 season was a welcome exception! Behind the enthusiastic "Wizards" and our cheerleaders, the student body rallied and the hoop loomed as big as a barrel for our hustling team.

But basketball did not hold the

Three months passed in the blink of an eye and suddenly the Yuletide festivities burst forth upon the scene. On December 18, the Senior High Combined Ensembles presented their annual Christmas program. The performance consisted of religious and secular selections and a presentation of the Dickens Classic, "A Christmas

lowed as we ushered in 1969. And suddenly we were, once again, back at our desks at MHS. It seemed like the buzz of movement and the hum of voices had never ceased. The news circulated that the band had been invited to attend the apple Blossom Festival in Winchester, Virginia. And no sooner had the kids from county chorus returned than MHS sent representatives to both District Chorus and Band! Iowa Tests were administered and results proved that scholastically MHS ranks among the very best!

decisions of their school year—the selection of the class motto, song and flower. The stage again belonged to the upperclassmen as they presented their class production, "Mr. Barry's Etchings," a three act comedy distinguished by excellent acting and direction.

No one can deny that this year was one of varied club activities and interests. The PFTA visited West Virginia University. Later, the members presented an assembly to entertain and to allow the members of the student body to see themselves as others do.

Several Future Nurses obtained Red Cross First Aid certification; a number of NFL speakers were presented tournament awards; POD classes viewed a civil trial; and art classes toured the magnificent art exhibition in Pittsburgh.

Selections ranging from the Calypso sound of "Caribbean Fantasy" to the inspiring "El Cid" were presented in a memorable Band concert in early spring.

Faster and faster time began to move. The class parties, the announcement of the Honor Students, the All-Activities Banquet—every student stood aghast as the long-awaited events finally became realities. For the Seniors, these were the last at MHS.

The Senior girls tea and the Senior Banquet came and went,

and, at last, we stood before our parents, our teachers and our friends as we received awards, recognition and satisfaction at Class Night. We left our favorite qualities to deserving underclassmen in our Will and predicted future success in our Prophecies.

Then, suddenly it was the end of May and also for the seniors the termination of twelve years as Monessen students. As one united body, the members of the Class of 1969 were pronounced graduates

at commencement exercises on May 29, 1969. In the flick of a moment the fun and sorrow of an era melted into a graduate's tears.

The term closed as expected on June 5, 1969—with a little sadness for some and a great deal of relief for others. For those who will return—good luck and best wishes. For those who will not—"we dream things that never were and say why not!"

And a year ends . . .

But the reflections live forever!

The years have flown now and we must go.

In ten short years
if we chance to look back
We'll find that our classmates
in talent did not lack.
The many professions and all walks of life
Have all been filled
with ease and with strife.
We can start where we want
with A or with Z
For we'll always be proud
of this company:

James Vitale as mayor of a town will make his views known and win renown.
And Willie Warzinski, an able polititian, will never be found cleaning the kitchen.
Carlyn Falbo, a dedicated lass, will be found raising "guinea" pigs for Michele Beresh's biology class.
Our master of dance, Diane DeGiacomo, may someday choreograph a Broadway show.
Diane Matush, I'll be willing to bet, will be an opera singer and open at the Met.
Russell Scuteri, a promising actor, to the Broadway stage will be an important factor.
Judy Secleter, as we all know, will someday be a female Michelangelo.
Jan Hamrock, with clothes so fine, will be the best dressed man of 1979.
Karen Kritsky can demand a high fee once she has her M.D. degree.
David Lieber praised by one and all as a great all-American coach of football.
If you're ever in trouble, look to the top, because Ronnie Kurey will be a state cop.
10 years from now through the halls will ring, the sound of Tom Fritz and Mrs. Mica still arguing.
And I wonder if Peggy D'Alessio will have fulfilled her dream of meeting George Harrison on a yellow submarine.
Dave Barton, an expert on passes, both on the gridiron and with the lasses.
Dyann Redlich, a home-ec major, will design mod clothes, I'll be willing to wager.
Leanna DeRocco will never be glum, working in a lab with *barium*.
Sheila Esola a green house will own, with all sorts of lillies of her very own.
Some future day the news will be, Patty Burby receiving the Nobel Prize in chemistry.
And Tony Mondi, after many years of striving, will be the number 1, safety-first, teacher of driving.
Mark Rajokovich, whom we all know as Tank, will be wiring his way straight to the bank.
And Debbie Lhota a brain surgeon someday will be, once again messing up the minds of you and me.

In Memoriam

Annette M. Valente

November 7, 1951—December 11, 1966

We cannot say, and we will not say
That she is gone. She is just away.
With a cheery smile, and a wave of the hand,
She has wandered into an unknown land
And left us dreaming how very fair
It needs must be, since she lingers there.
And you—oh, you, who the wildest yearn
For an old-time step, and the glad return,
Think of her faring on, as dear
In the love of There as the love of Here.
Think of her still as the same. We say,
She is not gone—she is just away.

MRS. ESTHER WEISS
August 4, 1918—March 8, 1969

The teacher who walks in the shadow of the temple, among his followers, gives not of his wisdom but rather of his faith and his lovingness.

If he is indeed wise he does not bid you enter the house of his wisdom, but rather leads you to the threshold of your own mind.

The astronomer may speak to you of his understanding of space, but he cannot give you understanding.

For the vision of one man lends not its wings to another man.

And even as each of you stands alone in God's knowledge, so must each one of you be alone in his knowledge of God and in his understanding of the earth.

Monessen High School is fortunate to have an excellent and highly regarded staff. It is evident that each man has a thorough understanding and a profound influence upon the young athletes with whom he works. This is a fact exemplified by the good sportsmanship displayed by every team in both victory and defeat.

The great Monessen Defense displayed the power it possessed in previous years by defeating Elizabeth Forward by six points, 12-6.

The Greyhound victory over Clairton by the score of 7-0 placed Monessen in the running for the Big Ten conference lead.

The 14-7 win over Johnstown's Bishop McCort came harder than was expected and gave the first exhibition of the power of Coach Glady's team.

A score of 32-26 signified the Hound's heartbreaking defeat by Belle Vernon Area. A standing-room-only crowd witnessed the loss which doused Monessen's hopes for undisputed claim to the Big Ten title.

Monessen came from behind in the second half to score twenty points and defeat South Allegheny 20-7.

Mutt Davis gave one of his greatest performances in leading the Greyhounds to an easy 34-7 victory over the Wildcats of Monongahela.

Parents' Night at Memorial Stadium was the scene at Monessen's 26-6 defeat at the hands of the Jaguars of Thomas Jefferson.

The defensive squad poured it on to humble the Brownsville eleven and give the Greyhounds a 65-26 win.

Myron Kunka had the biggest night of his varsity career by scoring both of the Greyhound touchdowns and blanking the Charleroi Cougars 14-0.

The last game of the 1968 football season ended with a Greyhound win over Laurel Highlands. The victory left Monessen with an 8-2-0 overall record and second place in the Big Ten Conference.

1968 — Basketball — 1969

The cheering of the Monessen student body, led by the cheerleaders and our own Wizards, backed the Greyhounds in both victory and defeat. The team on the court represented the student body well, racking up more points than their opponents could score against the Hounds.

The Greyhounds started the season slowly in exhibition games, but were hot in conference play, losing only to Donora and Monongahela. The season's overall record was 11-11-0, but conference play left the Hounds with a 8-4-0 record, tied with Belle Vernon for third place in the Section.

Mr. Anthony Caterino, the head coach of our team, has led the Greyhounds on to another successful season. The student body of Monessen High School congratulates him and his team for their fine representation of our alma mater.

After the football and basketball seasons are completed, the focus of attention in the athletic department of MHS is turned to spring sports. These depend upon the warm temperature and sunny skies of spring, and attract the "fair weather" athletes of our school.

At the beginning of Spring, the forecast was for sunny skies and a winning season for all teams. The good Spring of 1969 gave both of these to Monessen High School.
